Other items still to check

- **Olympiad medals.** The CV lists "Gold Medal Online Japanese Language Olympiad" and "Online English Language Olympiad". The certificates show national-level olympiads (OSSI Japanese, OPSI English), plus two more gold medals (Informatics and Economics) that are not in the CV. Suggestion: write them as on the certificates and include all of them.
- **Academic ranking.** 2nd place in Grade XI A1 and XII A1 appear on certificates but not in the CV.
- **Palawakya.** The CV says "3rd Runner-Up (Honorable Mention)". The official certificate states Juara Harapan III at Bali Province level.
- **Bali Catering Company.** The CV and resume say 2025 to 2026, while the letter covers 1 day (31 October 2025). Keep them consistent.
- **Butler Trainee.** The resume says "3 Months"; the certificate gives exact dates, 25 April to 26 July 2025.
- **Address.** The CV (North Denpasar) differs from the ITN resume (Jembrana). On the website, just write the city, for example Denpasar, Bali.
- **Privacy.** Consider not publishing WhatsApp, email, height, weight, religion, and full address openly. Alternative: a contact form or a WhatsApp button only.
- **New certificates not in the CV.** Skill certificates (Canva, Google Cloud Generative AI, Dicoding), BLS training, ISO 2025, webinars, and the Committee Chairman role are not yet in the CV. Worth adding.
- **WhatsApp group screenshots.** They contain other people's names and phone numbers. Do not publish them; use them only as source data.
- **File name versus content.** The file "Sertifikat_First_Aid_Training" is actually "Safety and Basic Life Support". Use the name on the certificate.
- **IDP Education Fair.** Attendance is inferred from the wristband photo. Remove it from the website if you did not attend.
